

THE MISSION OF THE GREEN TEAM

To advocate for sustainability in all aspects of living at Panorama and in the surrounding community through educational outreach to residents, staff, and management with the goal of creating a healthier place to live and work.

What we do

- Design and present educational programs for residents
- Sponsor field trips related to environmental issues
- Sponsor environmental films
- Work with management on environmental issues and sustainability practices
- Research environmental issues and resources
- Monitor and assist operations of the Recycling Centers
- Collect recyclables at Panorama events
- Sponsor and maintain the Pollinator Garden
- Do battle with invasive weeds as service projects
- Pick up litter on nearby streets in Lacey
- Send alerts for area-wide actions on the environment.

The Recycling Centers

The main (Jim Silver) Recycling Center is located in the parking lot to the west of the Auditorium and is open 7 days a week dawn to dusk. The Chinook Recycling Center is in the Chinook carport on Chambers Lake Lane. An Electronics & metal recycling site is near the Chalet.
