

## Green Team Back-up Volunteers

Background: "The Resident Council encourages all groups to include succession planning in their operations. Succession planning ensures that, at all times, the activity can continue even if current leadership retires, resigns, dies, or leaves Panorama. Prepared members should be available to succeed officers who, for whatever reason, cannot continue performing their duties. At a minimum, the President and Treasurer should have understudies who understand their duties and can substitute when the need arises."

Note: Where two people share a duty (e.g. Program Chair) they back each other up so an additional backup isn't needed. Note that the backup person doesn't need to be a member of the Steering Committee.

| Position                   | Current       | Backup                              |
|----------------------------|---------------|-------------------------------------|
| Chair                      | Evie          | _____                               |
| Vice-Chair/Facilitator     | Anne          | _____                               |
| Treasurer                  | Candy         | Jean                                |
| Recording Secretary        | Jean          | Evie                                |
| Corresponding Secretary    | Evie          | Jean                                |
| Program Chair              | Jean/Peggy M. |                                     |
| G.T. Newsletter Editor     | Jean          | Evie                                |
| Flyer creator for programs | Evie          | Jean                                |
| Flyer distributor          | MJ            | Evie                                |
| Kya notice poster          | Evie          | Jean                                |
| Grounds liaison            | Peggy M.      | _____                               |
| Recycling chair            | Peggy J.      | _____                               |
| Webmaster                  | Evie          | _____                               |
| Litter/Trash Pickup        | Kathe         | _____                               |
| Off-campus Service         | Cleve/Gary P. |                                     |
